## JANUARY 13: MARVIN MONTGOMERY

### **Make Your Own Sunshine – a perennial favorite!**

There are so many times in our lives when we sit back and wait for good things to come our way. Yet, it is inevitable that all of us will encounter storms. Instead of sitting back and waiting for something positive to come your way, perennial favorite Marvin “Sales Doctor” Montgomery will kick-off the year by sharing seven proven steps for turning those gray skies blue! Don’t wait for your ship to come in. You have to swim out to it and “make your own sunshine”!

## FEBRUARY 10: TED SWALDO

### **Canton’s Italian Village Comes To Life**

What started as the opening of a new bistro has culminated in the creation of a true Italian Village destination in the heart of Stark County. Learn about the vision of Gervasi Vineyards – from delizioso culinary endeavors and fine vintages fresh from the vine, to the eclectic marketplace and exquisite new Italian villas. Entrepreneur Ted Swaldo will share the inspiring Gervasi success story, one that celebrates family heritage and provides the perfect place to escape right here at home.

## MARCH 9: SCOTT WOODRUFF

### **The NBA’s CHARGE into Canton**

Canton may be a football town, but there’s a new kid on the block! The Cleveland Cavaliers’ official NBA D-League team, the Canton Charge, have taken to the courts for their inaugural season. Celebrate a new kind of “March Madness” this month with Scott Woodruff, senior vice president and chief operating officer for the Charge, for the full “home court” advantage – an insider’s look into the makings of Canton wine and gold, and what it means for our community.

## APRIL 13: TIM KRAFT

### **Be a Better Business Writer**

Good ideas, promising opportunities and exceptional products are ignored every day because someone wasn’t able to convey them well in writing. Self-proclaimed “Word Guy” Tim Kraft will show you how to write in a way that will get better business results. The rules you learned in elementary school may have earned you a good grade, but won’t grab your readers’ attention. Attend this session to learn how to wrap the right words around your products and ideas.

## MAY 11: ROB STEINBERG

### **Run, Canton, Run!**

It’s going to be health and wellness all around for Canton this year with the first annual Canton Marathon debuting in June! You’ll learn about getting the inaugural event “up and running,” various events for you and your business, and how the Canton Marathon aims to go the distance, bringing health and fitness to residents and visitors alike.

## JUNE 8: STEVE BRUBAKER

### **Interacting with Your Customers**

In response to decades of marketing overload, today’s consumers decide in an instant whether your direct mail piece or phone call has value. But what if you could reach the exact customer you want, through the communication platform they prefer, at the time they would be most likely to buy your product or service? You will walk away with specific tools and steps to use what your customers are telling you in order to enhance your brand, improve ROI and increase response and customer retention.
